29-Apr-08	1.2	Removal seven duplicate summits in ZL region, and renumber this part.
01-Aug-20	2.0	<p>Major revision of the summit list based on topographic analysis of SRTM, ALOS and Tandem-X DEM data.</p> <p>783 non-compliant summits removed, 61 new compliant summits added</p> <p>Also retired border duplicate JC-004</p>
01-Oct-21	2.1	Minor revision of the summit list based on precise data from DMR 5G model. 1 summit removed, 5 summits replaced, 4 summits added

## Summits on the Air – ARM for Czechia (OK)

---

### 1 Association Reference Data

Association	Czechia (OK)
Commencement date	01 May 2007
DXCC entities	OK Czechia
Regions	JC-XXX Jihočeský kraj JM-XXX Jihomoravský kraj KA-XXX Karlovarský kraj KR-XXX Královehradecký kraj LI-XXX Liberecký kraj MO-XXX Moravskoslezský kraj OL-XXX Olomoucký kraj PA-XXX Pardubický kraj PL-XXX Plzeňský kraj ST-XXX Středočeský kraj + Praha US-XXX Ústecký kraj VY-XXX Kraj Vysočina ZL-XXX Zlínský kraj
Association parameters	
Summit operation criteria	Operation must be within 25m vertically of the summit
Band 1, score 1 point	< 500m a.s.l.
Band 2, score 2 points	≥ 500m a.s.l., < 600m a.s.l.
Band 3, score 4 points	≥ 600m a.s.l., < 700m a.s.l.
Band 4, score 6 points	≥ 700m a.s.l., < 900m a.s.l.
Band 5, score 8 points	≥ 900m a.s.l., < 1000m a.s.l.
Band 6, score 10 points	≥ 1000m a.s.l.
Seasonal bonus	Yes
Bonus rationale	Winter period with highest probability of sub-zero temperatures and deep snow
Min. height for bonus	700m
Bonus period dates	1 December to 15 March inclusive for all summits with height ASL ≥ 700m (+3 points)
Association sponsored awards	Yes
Association Manager	Miroslav Pribyl OK1CYC, ok1cyc[· - - · - ·]gmail[· - - - - ·]com

#### 1.1 Programme derivation

OK SOTA is an extension of similar programmes already active in other countries.

The summit database is believed to be complete. If you find a summit that meets the criteria for addition, or you find a mistake in this ARM please contact the Association Manager. Activators are asked to submit details of proposed additional summits to the Association Manager.

## Summits on the Air – ARM for Czechia (OK)

---

### **1.2 General information**

To qualify for a summit it has to meet the following requirements:

- The summit must be verified using topographic data.
- The summit must be elevated at least 150 m from its surroundings
- In the case of doubt the Management Team will decide whether the Summit will be added to the list

The summit database can only be changed by the acceptance of the SOTA management team. Summits cannot be counted for points until a launch date and an individual reference number has been allocated by the Association Manager and approved by the SOTA Management Team.

### **1.3 Rights of way and access issues**

Some summit areas may fall under Nature Conservation and Landscape Protection of the Czechia. In this area summit access may be restricted. For detail see on website <http://www.ochranaprirody.cz>

Many peaks in Czechia are occupied by military training areas or communications bases. Do not enter these areas without permission. Prior to the activation of a new summit the activators have to gather sufficient information concerning the bases. If you want to reach peaks within these areas first you have to contact the management of five military regions, and ask them for permission. See the Ministry of Defence website - <http://www.army.cz/scripts/detail.php?id=5725>

### **1.4 Maps and navigation**

Whether accessing summits via a tour, or by your own exploration, it is important to carry a map and know how to use it. Hiking maps of the Czech hiking Club are available at <http://www.mapykct.cz> with a scale 1:50000. All maps are available on paper or digital format. Source coordinates for these are S-1942 with 1km grid and Krassovského datum. For convenience with GPS application all coordinates in this manual are referenced in WGS84 datum. An OSM based online map projected in this datum is available on <http://mapy.cz>. Interactive tourist maps with active SOTA summits can be found at <https://www.mapotic.com/summits-on-the-air>.

### **1.5 Safety considerations**

For your safety and that of other members of your party, please observe the following simple rules:

- Never hike alone.
- Always inform someone who is not hiking with you where you are going, what route you are using, what time you expect to return and whom they should contact if you do not return.
- Obtain a detailed route map or description before attempting a new route. If possible consult an experienced local climber about your proposed route.
- Always carry overnight and cold-weather gear no matter how warm and sunny it is when you start out.

## Summits on the Air – ARM for Czechia (OK)

---

- Ensure that you have a suitably equipped first-aid kit and sufficient knowledge to use it.
- Always carry a mobile phone if you are in an area that has coverage. Find out the telephone number of the local mountain rescue service, if there is one; otherwise report any **emergency by phoning 112**.
- Do not descend by a different route from the route used during your ascent unless you are absolutely certain that the route to be used for the descent is passable.
- Ensure that you are medically fit for your intended outing. If in doubt, consult your physician.
- Wear suitable clothing including appropriate climbing shoes or hiking boots. Ensure that you have sufficient drinking water and protection from the sun.
- Always carry a map, compass, GPS and spare batteries – and know how to use them.
- Never walk, even on a well-marked path, focused on the GPS unit, map or compass. Many marked paths lead directly to the entrances of popular potholes!

### 1.6 Foreign HAMs in OK

In the Czech Republic, Amateur Radio is regulated under Decree 201/2000 Coll. - 'Technical and Operational Conditions for Amateur Radio Service' - of the Ministry of Transport and Communications, dated 30th June 2000. The minimum age for an individual licence is 15 years old.

Foreigners holding amateur radio licenses may apply for a Czech amateur radio license. Send an application with a photocopy of your home license to:

Czech Telecommunication Office  
Amateur Radio Licenses  
P.O.Box 02225 02 Praha 1, Czech Republic  
Phone: +420 224 004 111  
FAX: +420 224 004 830  
WEB: <http://www.ctu.cz>

The seat of the Office is Prague: Sokolovska 219, Praha 9, but it is not the mailing address! The applicant costs are 500,- CZK (approximately 13 -15 USD).

The Czech Republic is also a signatory to both

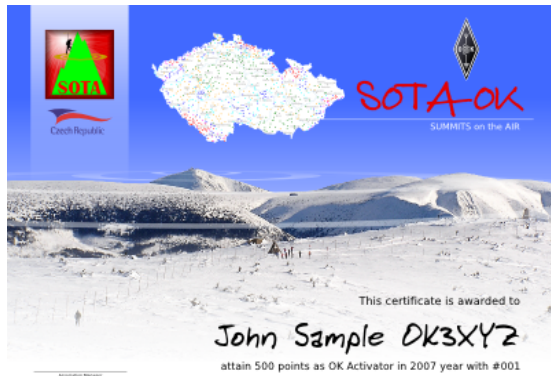

- CEPT Recommendation T/R 61-01 - CEPT Radio Amateur Licence, and
- CEPT Recommendation (05)06 - CEPT Novice Radio Amateur Licence .

Holders of CEPT licenses Class 1 are authorised to transmit in accordance with Czech class B, holders of CEPT licenses Class 2 in accordance with Czech class D. See the appropriate pages of the Czech Regulations for HAM Radio - Part II. <http://www.crk.cz/ENG/ZATELENE.HTM>, <http://www.crk.cz/ENG/NPOVPODE.HTM> and the CEPT Web site <https://www.ecodocdb.dk/>

Another possibility is to apply for the Czech license in accordance with CEPT Recommendation T/R 61-02 (HAREC).

All SOTA activators should suffix their call the portable designator “/p”.

## 1.7 Awards

There are two categories of awards:

1. for **Activators who attain points only from OK Associations summits**
2. for **Chasers who attain points only with OK Associations summits**

Certificates will be awarded for 500, 1000, 1500 points, and so on in sequence.

Awards will be issued on request, based on logs sent by email to Honza OK2SRO, ok2sro[·-·-·-]seznam[·-·-·-]cz, with affirmation of authenticity. Awards will be published only in the electronic format.

## 1.8 Disclaimer

Hiking, hill-walking and rock-climbing are potentially dangerous activities. The SOTA Management Team and their associates assume no responsibility for accidents. Each participant does so at his or her own risk, and must decide, on the basis of their own ability, whether an objective is achievable. The listing of a summit in the reference does not mean that it is easy to reach, and it is always worth seeking local advice for all but the simplest of expeditions.

## 1.9 Czechia map

Overview of Czechia regions. City of Prague (Praha) belongs to OK/ST (Středočeský) region for the SOTA purposes.

# Appendix A - Summit Reference Data

## A1 Region Reference Jihočeský

Association	OK
Region	Jihočeský JC
Region Manager	Jiri Hujo, OK1DDQ - ok1ddq@qth.cz

### A1.1 Regional notes

Jihočeský kraj is highest-level administrative unit in the Czechia with capital city České Budějovice [http://en.wikipedia.org/wiki/Regions\\_of\\_the\\_Czech\\_Republic](http://en.wikipedia.org/wiki/Regions_of_the_Czech_Republic)
